**DISCLAIMER**

This drawing is intended to be used for reference and illustrative purposes only. This drawing is not a legally recorded plan, survey, or engineering schematic and it is not intended to be used as such. This drawing is a compilation of records, information and data developed and maintained in various City offices. Map layers were created from different sources at different scales, and the actual or relative geographic position of any feature is only as accurate as the source information.

A number of data sources, including plats and drawings, were used to compile the easement, but the combination of incomplete and inconsistent data limits the accuracy of the final result. It was necessary to apply assumptions and interpolation to achieve continuity.
