MC-2012-30	6/4/12	Legal / HR	Memo	AFSME and Police Compensation Agreements Provide guidance on what the 5/21/12 decision to add an extra 1% to the base of non-executive employees does to the previously negotiated agreements. Status: The Mayor and Council decision to include an additional 1% increase to the base pay of non-executive employees does not impact the agreements with AFSCME and FOP. The fully executed agreements still stand as written. The Mayor and Council's decision provided additional compensation to the members of the two employee groups, but did not take away from or amend the terms of the agreements. The decision does impact the budget going forward since the 1% increase added to the base pay. It could also set precedent or expectations for future negotiations and compensation in adopted budgets.	12/13/12	Complete
