RE: Beall's Grant II Apartments  
250 N. Washington St.  
Rockville, MD 20850

Dear Mr. Skinner:

Rockville Housing Enterprises, the housing authority of the City of Rockville, is an agency dedicated to enhancing opportunities for self-sufficiency and quality, safe, affordable housing for citizens of the City of Rockville.

RIIE's Board has approved the issuance of eleven (11) project-based Housing Choice Vouchers to the owner of the new construction project known as Beall's Grant II, developed by Montgomery Housing Partnership.

We are very excited about this new, "green" affordable housing property in Rockville Town Center, where hundreds of high-end units have been built over the past few years.

Please feel free to contact me with any questions at (301) 424-6265.

Sincerely,

Ruth O'Sullivan  
Executive Director
