VP Rick Lore
Maryland Public Television

Dear Mr. Lore, _____

My husband and I were overwhelmed with joy as we watched MPT's
Our Town-Cumberland.

With your masterful editing and synthesizing of our photos and stories you captured the "Soul" of our people, showed the natural beauty of the region, and portrayed our exquisite "Quality of Life".

You have given us an opportunity for a brighter future. We hope that MPT viewers who enjoyed "Our Town-Cumberland" will visit us, will move into our region and will relocate their businesses. Together, we can regain economic vitality and enjoy all the benefits of living here.

With deep gratitude and appreciation, THANK YOU!
