Name of current Board (or Commission): Environment Commission

**Please complete the following:**

How long have you served on this Board or Commission?

Appointed on 1/26/09

Why do you wish to be considered for reappointment by the Mayor and Council?

I originally was appointed to fill a term left vacant by another commissioner's departure and would very much like to be reappointed to serve a full term.

What other information should be considered for your reappointment? (Examples: Ways in which you have personally contributed to the work of the Board or Commission; leadership roles you have held on behalf of the work of the group such as chair, head of a committee or task force)

I am currently on the Sustainable Design and Energy working group (SDEC).  
As a group, we have worked tirelessly on the Green Building Code and Regulations updates.

We are now in the process of exploring energy efficiency incentives for both residential and commercial property owners that we can present to the EC and M&C.  
At the M&C request, the SDEC is also joining forces with Chamber of Commerce members to assist in developing these exciting programs.

I am also representing the EC on the White Tail Deer task force starting on May 4, 2010.

I would love to continue on with this commission during this exciting time and offer my thoughts and expertise on these and any upcoming items.

Thank you.
