Dear Mayor Marcuccio:

The Board of Directors of Rockville Seniors Incorporated met on January 17, 2012. One of the agenda items was the requests by several individuals to support the renaming of the Senior Center for former Mayor William E. Hanna. After a lengthy discussion a motion was made to support the renaming to include Mayor Hanna's name. The motion was defeated unanimously.

Respectfully,

Mary Jane Walling

Dear Mayor Marcuccio:

The collective opinion of the Board of Directors of Rockville Seniors Incorporated was that William Hanna's contribution to the establishment of the Center was not greater than that of other legislators and citizens. Therefore the motion to rename the Center for him was unanimously defeated as I stated in my previous letter.

Respectfully:

Mary Jane Walling  
President and Chair of RSI
