To Whom It May Concern,

We are writing this petition to request being annexed into the City of Rockville for the purpose of having access to city water and sewer services. We have a failed septic system and submitted a permit to Montgomery County for evaluation. The results of a septic test showed that all our ground failed for conventional septic. It passed in the front yard only for unconventional septic. This would require our removing the existing well and relocating it on the property. Therefore, the advice from the inspector, Marcie L. Shubert and her plan reviewer, John Hancock was to seek information from the city as to the feasibility of city services.

We are residents of the community of Glen Hills. Our home is located across from the National Lutheran Nursing Home. The street on which we are located has homes and lots annexed into the city already. We are aware of some homes that already are using water and sewer lines located along Veirs Drive. To our knowledge, the last home connected to these lines was built in 2004 at 9612 Veirs Drive and our home is located next to this property.

We requested information from the Department of Public Works on this sewer/water line and the availability of services. On June 23rd, we were told by Don Jackson, Public Works Department of Rockville, that two homes connect to a gravity fed line and that it would be possible to continue an extension of a low pressure sewer line to our home.

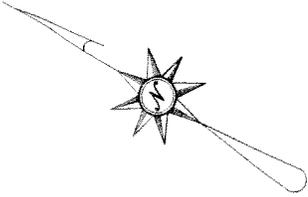

During our discussions with individuals during the evaluation of our septic system, we have found that we are not alone in our ongoing concerns with the percolation of the soil in our area. Our neighbors, David and Stella Gibbs, 13326 Oakwood Drive are also actively pursuing a petition of annexation to the City of Rockville for purposes of connecting to city water and sewer services. Their home is just two lots from ours and the lot separating our properties has already been annexed into the City of Rockville.

We would like you to take all of these considerations into account when making your determination. We are willing to work with the City of Rockville to proceed with the process. If there is any additional information that we can provide, please contact us at the numbers below. Our daughter is also authorized to speak to you on our behalf. Her name, email, and number are also provided.

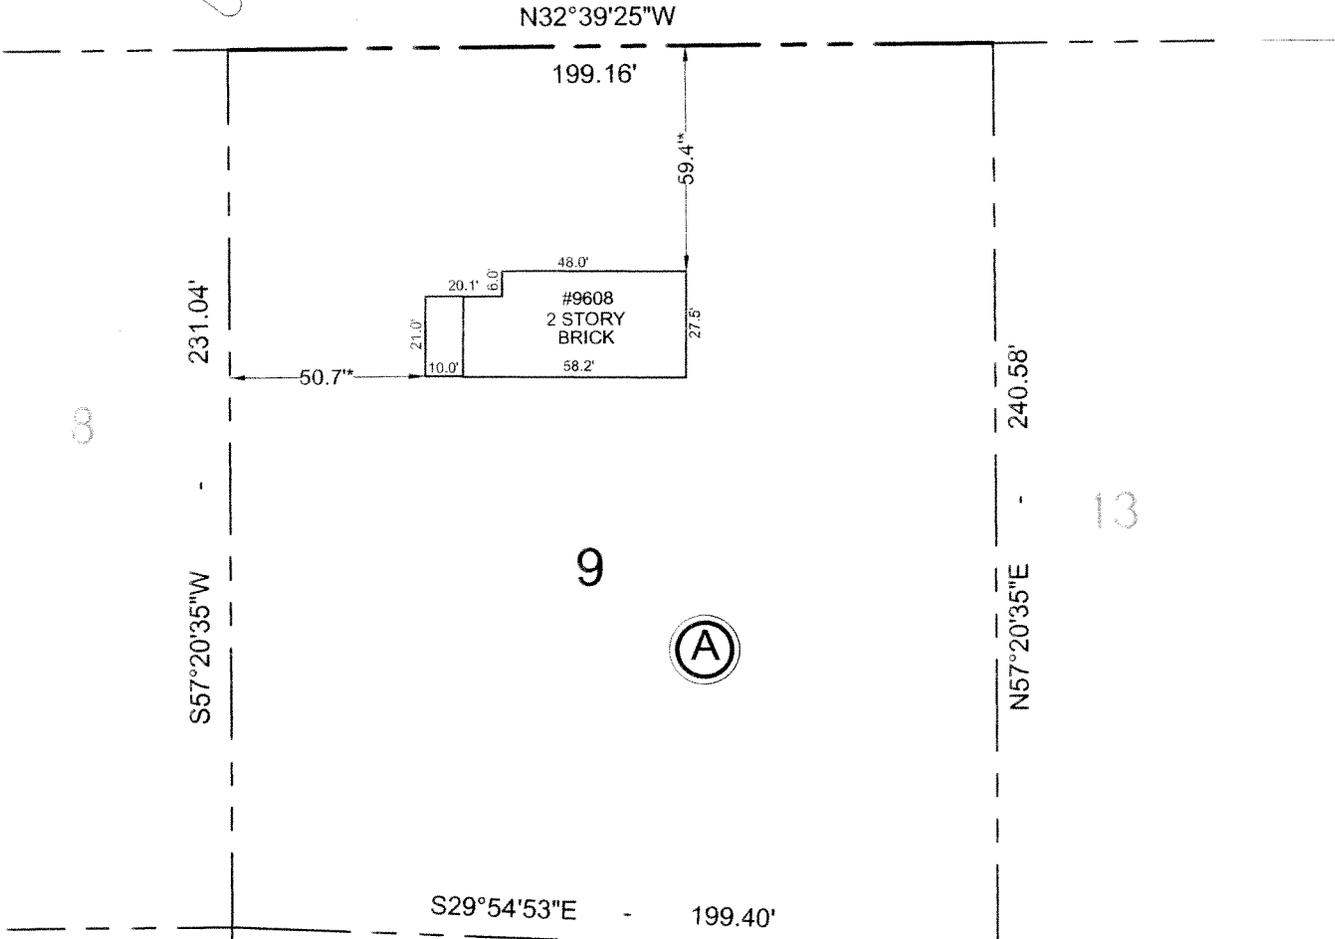

We look forward to hearing from you as to your consideration of our requests. Thank you for your timely attention to this matter.

Sincerely,
Arnold & Arcadia Anderson
