East Rockville Civic Association (ERCA)

Subject: Community Ministries of Rockville Community Development Block Grant (CDBG) for FY 2013.

Dear Ms. Swift:

It has come to the attention of the East Rockville Civic Association (ERCA) that the “Safe and Habitable Home Program” of the Elderly Ministries Division of the Community Ministries of Rockville intends to submit to the city a proposal for a Community Development Block Grant (CDBG) for FY 2013. We applaud Community Ministries of Rockville’s continuing efforts to help improve the lives and well-being of many elderly residents in our neighborhood. In the past, the Elderly Ministries Division has performed jobs for elderly residents in East Rockville that have included:

- Numerous plumbing repairs
- Storm door repairs

We are greatly appreciative of the previous efforts put forth by Community Ministries of Rockville and hope that they will continue to receive the funding they need to continue these efforts in the future.
